NO DUE CLEARANCE PORTAL

# Student User Guide

Log in, send your No Due requests to each office, and track them until you are fully cleared — all from your phone.

For all students · 5 short steps

**Portal**

**Audience**
Students

AT A GLANCE

# How No Due clearance works

No paper forms. You send a request to each office from the portal, and each office approves it online.

**1 · Log in**
Register Number + password

→

**2 · First time only**
Fill your profile, create a password

→

**3 · Send requests**
One to each office

→

**4 · Wait**
Status shows *Pending*

→

**5 · Cleared**
Every office shows *Completed*

| You are a | Offices you need |
|---|---|
| **Day Scholar** | Library · College · Department **(3)** |
| **Hosteller** | Library · Hostel · College · Department **(4)** |

**2**
**attempts**
per office. Only a **rejection** uses one.

**24h**
**wait**
after the 2nd rejection by the same office.

**2**
**days**
If an office doesn't answer, send it again.

**10**
**minutes**
A password reset code works this long.

## In this guide

| | | | |
|---|---|---|---|
| 1 | Log in and first-time setup | 4 | Forgot password |
| 2 | Send your requests (Hostel receipt too) | 5 | Problems and quick help |
| 3 | Track your status, rejections | | |

**TIP** Works on any phone or computer. Keep the page open — it updates by itself when an office answers.

STEP 1

# Log in and first-time setup

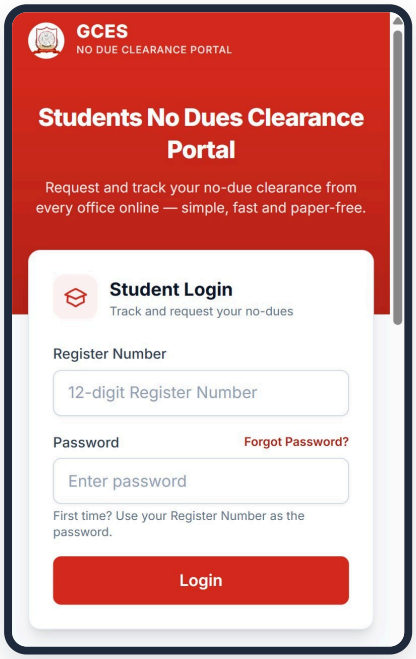

### Log in

1. Open the portal → **Student Login**.
2. Type your **12-digit Register Number**.
3. Password:
   **First time** → your Register Number.
   **After setup** → your own password.
4. Press **Login**.

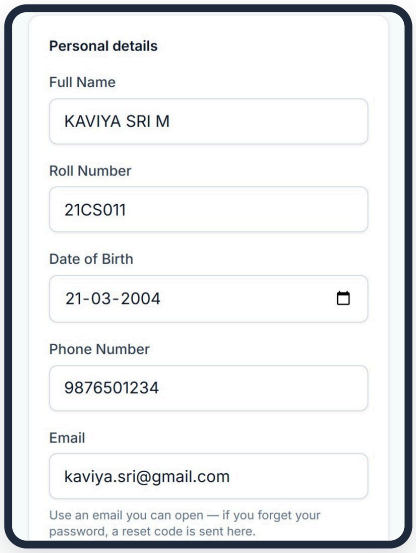

### First time only: complete your profile

1. Fill **Name, Roll No, Date of Birth, Phone** and **Email**.
2. Create a **New Password** and type it again.
3. Press **Save & Continue**.

Year, semester, department and Hosteller / Day Scholar are set by your Faculty Advisor.

Login

**Profile** (first time)

| Field | Rule |
|---|---|
| **Phone** | Exactly 10 digits |
| **Email** | An email you can open — reset codes are sent here |
| **New password** | 8+ characters · not only numbers · not too common · not your Register Number |

**REMEMBER** After setup, **only your new password works**. Forgot it? See Step 4.

STEP 2

# Send your requests

Your dashboard has one card for each office you need.

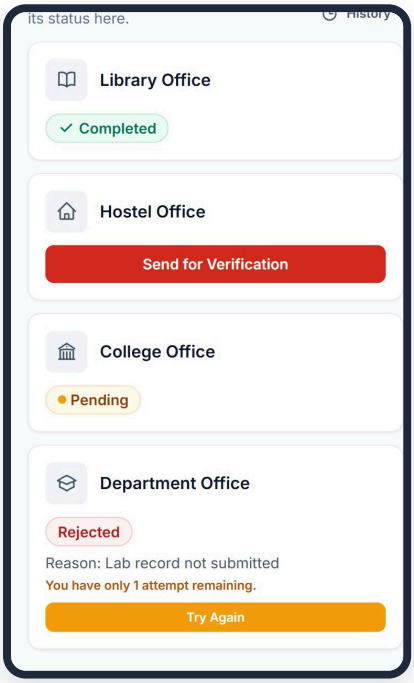

### Library, College, Department

1. On the office card press **Send for Verification**.
2. Press **Yes, send**.
3. The card shows **Pending**. Done!

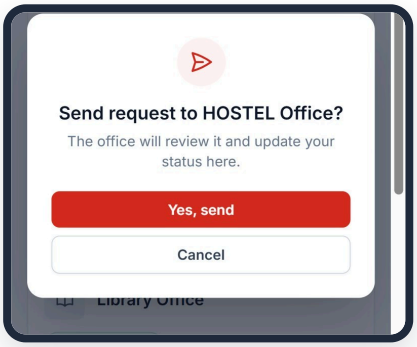

### Hostel Office (Hostellers)

1. Press **Send for Verification** → **Yes, send**.
2. Enter your last **SBI Reference Number**.
3. Attach the **fee receipt** (photo or PDF).
4. Press **Send for Verification**.

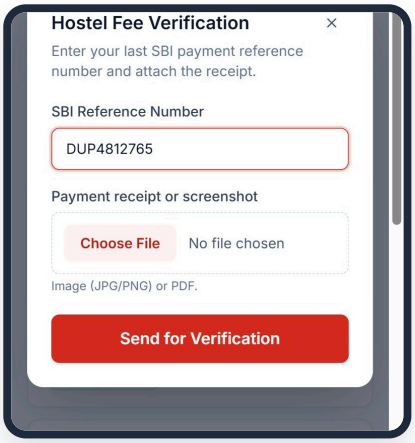

**7.5% scheme** students: no receipt needed — just send.

Office cards

Confirm

Hostel receipt

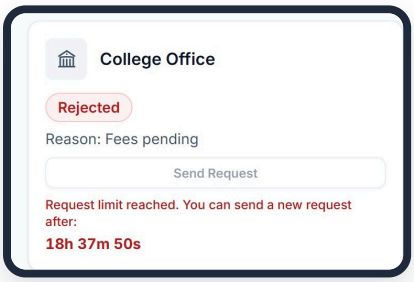

**TIP** Use a clear, full photo of the receipt so the name, amount and reference number can be read.

STEP 3

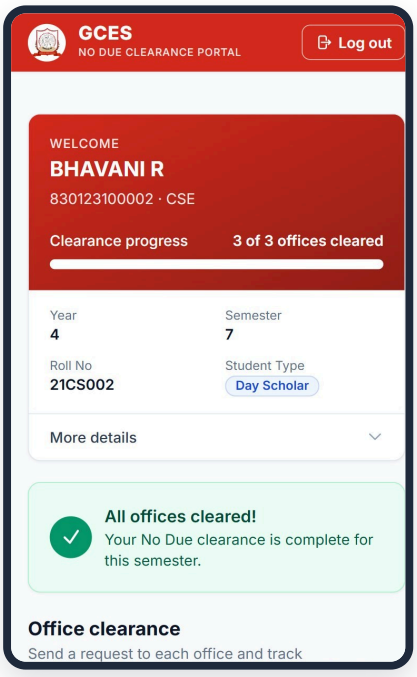

# Track your status

| You see | It means | You do |
|---|---|---|
| Send for Verification | Not sent yet (or not answered in 2 days) | Send it |
| Pending | The office is checking | Wait |
| Completed | That office cleared you | Nothing |
| Rejected | Not cleared — reason is shown | Fix it → **Try Again** |
| Countdown timer | Rejected twice — wait 24 hours | Wait, then send |
| Locked | Request window is closed | Wait for it to open |

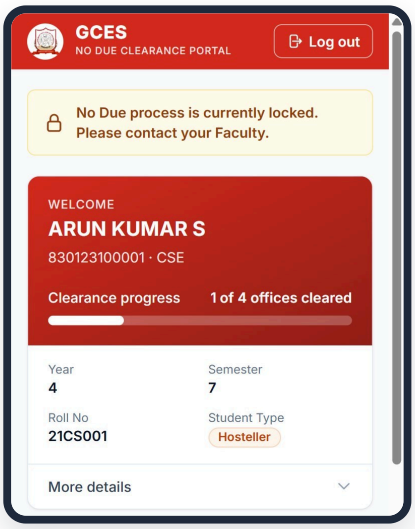

**1st rejection**
Read the reason
→
**Fix it**
Meet that office
→
**Try Again**
Then send again
→
**2nd rejection**
24-hour wait, then send again

**Rejected twice** — countdown

**All offices cleared!**

**Locked** — window closed

When all offices are cleared you see **"All offices cleared!"** and it is saved in **History**. The portal does not make a printable certificate.

STEP 4

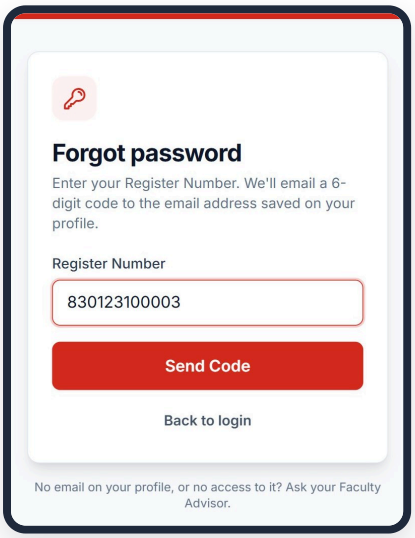

# Forgot password

Reset it yourself with a code sent to your email.

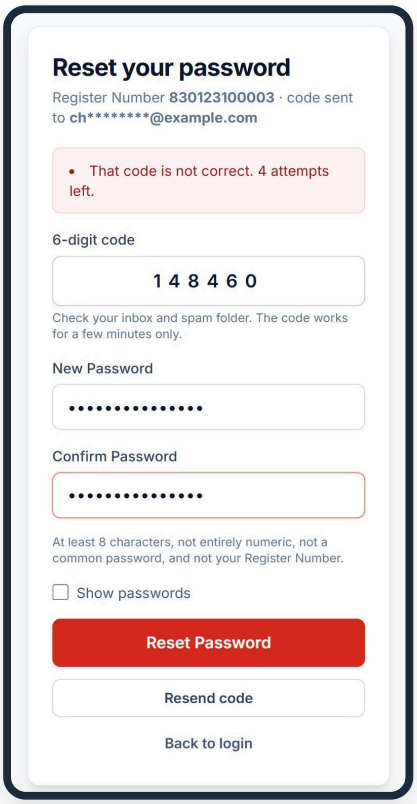

1. On the login card press **Forgot Password?**.
2. Type your **Register Number** → **Send Code**.
3. Open your email (check **Spam** too) and copy the **6-digit code**.
4. Type the code and a **new password** twice → **Reset Password**.
5. Log in with the new password.

### Good to know

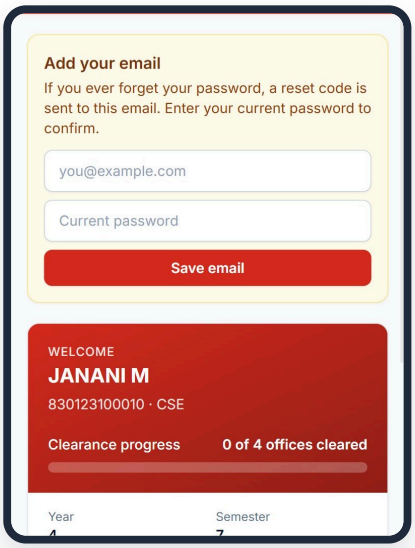

- The code works for **10 minutes**.
- **5** wrong tries → ask for a new code.
- **Resend code** after 60 seconds.
- No email saved? Log in and use **Add your email** on the dashboard, or ask your Faculty Advisor.
- Change email: **More details** → **Change email**.

Send Code

Code + new password

Add your email

STEP 5

# Problems and quick help

| Problem | Quick fix |
|---|---|
| **"Invalid Register Number or Password"** | Use your new password (not your Register Number). Forgot it? Step 4. |
| **Register Number not accepted** | It must be exactly 12 digits. |
| **"Too many wrong attempts"** | 5 wrong passwords lock login for 15 minutes. Wait, or reset it with Forgot Password. |
| **"This Roll Number is already registered..."** | Check your roll number. If correct, tell your Faculty Advisor. |
| Card says **Locked** | The request window is closed. Wait for your Faculty Advisor to open it. |
| **No Hostel Office card** | You are marked Day Scholar. Wrong? Tell your Faculty Advisor. |
| **Countdown on a card** | Rejected twice. Wait until it ends, then send again. |
| Request went back to **Send for Verification** | Not answered in 2 days. Send again — no attempt used. |
| **"Receipt upload failed"** | Check internet; try a smaller or different file. |
| **Reset code not received** | Check Spam and the email shown; press **Resend code**. |
| **Wrong name, year or department** | Ask your Faculty Advisor to correct it. |

## Remember

**First login:** password = Register Number

**After setup:** only your new password

**Send:** one request per office

**Hostel:** SBI reference + receipt

**Rejected:** read reason → fix → Try Again

**Forgot password:** code by email

**Help:** your Faculty Advisor

**Shared computer:** always Log out
